

MYOB Integration to RMS

ALL YOUR TRADING INFORMATION FROM
RMS ENTERED INTO MYOB IN JUST A
FEW SECONDS.

Massive time savings on your daily administration. Less effort required to do cheque reconciliations, credit card reconciliations, BAS and tax submissions - all the data is ready to

be printed. No more last minute rushing to do BAS submissions or attract additional accounting/bookkeeping fees.

“This programme has made huge time savings, in our office administration. The data is entered correctly in MYOB. We highly recommend OzBiz_EzyLink to other RMS users.”

OzBiz Solutions has worked closely with the team at RMS to ensure all the relevant data is produced and passed to the OzBiz_EzyLink programme. Simply run the night audit report in RMS, open the OzBiz_EzyLink programme and with a single mouse click all your data is correctly posted to MYOB in just a few seconds.
